In declining years, peace and comfort are insured the holder of a Maryknoll Annuity, a guaranteed income for life.

A Maryknoll Annuity is doubly safe because of the experience of our investment advisers and because of the supervision of the New York State Insurance Department.

But in addition, when you put your money into a Maryknoll Annuity, you have the satisfaction which comes from well-doing. Maryknoll is the Catholic Foreign Mission Society of the United States; its work is to train young Americans to become priests, to start churches in Africa, South America, the Pacific Islands, and Asia. After the income is no longer required, your funds are used to spread our Lord's word in far-off lands. You help yourself — and the Missions!

kitchen efficiency UP!

kitchen costs DOWN!

A faster kitchen cuts costs, report officials of hospitals, schools, and other institutions where speed and economy are doubly important. All reports agree on the tremendous savings made possible by installation of McDONALD all-stainless-steel equipment.

Speed *plus* hygienic safety characterize the three - times - faster McDONALD DUO-MATIC DISHWASHER — rated well above standards set by the U. S. Public Health Service.

Precision temperature control of the McDONALD AUTO - BOILER simplifies the boiling of eggs — and the cooking of delicate foods such as broccoli and cauliflower.

Off.) waterproofing and weatherproofing treatment, the work being done for His Excellency, The Most Reverend Richard J. Cushing, D.D., Archbishop of Boston.

ARCHBISHOP'S RESIDENCE
BRIGHTON, MASSACHUSETTS

Leakage and seepage through unnoticeable openings can cause serious damage and necessitate expensive reconstruction. Fortunately, you can guard against these dangers.

Timely weatherproofing by the Western Waterproofing Company — protects your buildings — and costs little compared to the price of neglect.

Reliable work is assured by Western Waterproofing's 5-year guarantee. Write a note of inquiry now — and have the information ready when you need it!

It's a fact...

Pray's contract division is the largest of its kind in New England, and each year serves hundreds of public and private institutions. We point with particular pride to the work performed by our organization in churches and educational establishments. Because we maintain a complete staff, we are in a unique position to supply and install carpeting, linoleum and tile flooring, and acoustical ceilings. A call to HAncock 6-5000 will bring complete information.

Pray's is a complete home furnishing store serving New England home makers since 1817.

STOCKING A SUPER MARKET

Nearly six million American families daily eat food purchased at A & P Food Stores. To meet their demands the average A & P Super Market stocks well over two thousand items.

Such a complex job requires far-flung buying activities in national and world markets.

Take fresh fruits and vegetables, for example. Representatives of the Company's 140 field buying offices go into the fields and orchards of all 48 states to assure a steady flow of quality produce to A & P's customers.

Similarly, poultrymen of 41 states do business with A & P. The finest products of America's dairyland, cattle country and grain belt find year-round public acceptance through the Company's aggressive merchandising.

Fishing fleets from Alaska to Newfoundland and the Gulf of Mexico pour millions of pounds of seafood into A & P's fresh and process market. Tea and spice trade with the Orient and with South America and the Indies for coffee and tropical foods highlight the Company's world-wide buying activities.

Throughout its 92-year history A & P has been alert to the importance of maintaining primary and supplementary supply sources for all foods, working closely with suppliers to improve production and distribution methods. The natural outcome of such a policy has been to provide consumers with foods of greater variety, better quality and lower cost. It has enabled the Company to return to suppliers a larger share of the consumer's food dollar.

Expert buying and testing facilities are characteristic of the business methods which year after year have enabled the men and women of A & P to do the nation's most effective job of food distribution.

THE CHALLENGE OF THE C. Y. O.

"What is greater than to direct the minds and to educate the wills of young people? Far more excellent than any artist, far more excellent than any sculptor, far more excellent than anyone in any profession do I consider him who knows how to mold the character of youth." St. John Chrysostom.

The diocesan Catholic Youth Organization is conducted under the general direction of the Most Reverend Archbishop, and under the personal supervision of the diocesan youth director upon whom rests the responsibility of supervising the growth of the organization and interpreting to the clergy and to the laity the program approved by the Archbishop.

Archbishop Cushing stated as the prime purpose of the CYO, "To Fashion the Image of Christ in Our Youth." With this in mind, the CYO provides a diversified, well-balanced and integrated program of spiritual, cultural, recreational and social activities, directed toward the development of the ideal Catholic boy or girl—loyal to God and His interests, appreciative of the nobler things in life, mentally alert, physically strong, and capable of associating with others.

Inquiries regarding the CYO, its program and its policies may be sent to the office of the Diocesan Director. The central office is a coordinating agency which represents a service and a stimulant to youth activities in the diocese.

LENTEN REGULATIONS

OBLIGATIONS

Lenten Observance comprises two distinct obligations, namely **FASTING** with regard to food in general and **ABSTINENCE** from flesh meat and extends from Ash Wednesday until Holy Saturday at noon.

ABSTINENCE

Abstinence means that flesh meat and its juices may not be used at any meal during the day. The use of small amounts of animal fats for cooking is permissible.

FASTING

Fasting means that, on a given day, only one full meal may be eaten; the other two meals, the breakfast and lunch (at noon when the meal is taken at night) or supper (when the main meal is taken at noon), taken together, must be less than a full meal. The breakfast and lunch (or supper) may not include meat, or meat products. Many of our people have an all-the-year-round practice of eating a minimum breakfast — orange juice, coffee and toast, and a very light lunch. Such persons are not expected to make these meals any smaller. Others have the practice of eating heavier meals at breakfast and lunch. The Lenten law requires that, on days of fasting, they diminish considerably the quantity of food at these meals, not to the extent of hampering them in their daily duties, but to the extent that they are conscious of genuine self-denial.

THE PURPOSE OF ABSTINENCE AND FASTING

The Church imposes by law the observance of fasting and abstinence as a matter of self-discipline, as a method of proving that each Catholic can dominate and rule his bodily appetites in the interest of his soul and his spiritual nature. It is a sacrifice of comfort, to prove the sincerity of our prayers and our devotions.

THOSE SUBJECT TO THE LAW

Abstinence from meat is to be observed by all who have passed their seventh birthday. Fasting on all food is to be observed by all between their twenty-first and their fifty-ninth birthday.

THE DAYS OF ABSTINENCE ONLY

are the Fridays throughout the year, unless a holyday of obligation falls on Friday.

THE DAYS OF FASTING ONLY

are the Mondays, Tuesdays, Thursdays and Saturdays of Lent, except the Ember day Saturday.

THE DAYS OF BOTH FASTING AND ABSTINENCE

are the Wednesdays and Fridays of Lent; the Ember days; the Vigils of Pentecost, Assumption, All Saints and Christmas.

EXCUSES AND DISPENSATIONS

The laws of fasting and abstinence, like the laws requiring attendance at Sunday Mass and fulfillment of Easter duty, are calculated for the average, normal, healthy person. Those who are not average, normal, healthy persons are excused from fasting and abstinence if their condition is really and truly sickly, and the observance of the law would impose seriously great hardship upon them. Those whose condition approaches more closely to the average should either observe the law, or seek a personal dispensation from their pastor.

By virtue of a special indult, those engaged in laborious work are dispensed from the law of abstinence on all the days of the year except the Vigil of Christmas, Ash Wednesday, all Fridays and Holy Saturday until noon. This dispensation includes not only the individual working men, but also all members of their families. This dispensation from abstinence does NOT include a dispensation from fasting; and unless they are otherwise excused, working people and their families remain subject to the law of fasting.

THE LEGION OF MARY

A SYSTEM OF CATHOLIC ACTION

DIRECTOR—Rev. Thomas F. Garrity
100 TEMPLE STREET, SOMERVILLE
SOMerset 6-3322

The Legion of Mary is a world-wide association of lay people, both men and women, organized for apostolic work. It is under the patronage of Mary Immaculate, Mediatrix of All Graces. It began in Dublin, Ireland, in 1921, with a group of seventeen zealous working people who were conscious of their duty to participate actively in the divine mission of the Church. They aspired to fill a need in the spiritual field which societies involved in material relief could not completely meet.

The Legion is made up of units called "Praesidia", each of which usually works within the limits of a single parish under the supervision of the Pastor and a Spiritual Director appointed by him. With his approval, it will undertake any work of Catholic Action which affords the prospect of improving the spiritual life of the parish. In carrying out its assignments, it follows a prescribed system which has been tested for nearly three decades and has been successful

under the most diverse conditions and in every quarter of the globe. It has received the endorsement of both Pius XI and Pius XII.

Among the works commonly undertaken by the Legion in this Archdiocese are the recruiting of members for the Holy Name and other parish societies; stimulating attendance at missions, novenas, and all parish devotions; taking the parish census; visiting hospitals and institutions; giving catechetical instruction; promoting the Family Rosary Crusade and week-day Mass attendance; distributing Catholic literature; escorting the blind and infirm to Church; following up Sunday School absentees; and encouraging lax and indifferent parishioners to fulfill their religious obligations.

MEMBERSHIP: Active and Auxiliary. Active members attend weekly meetings and perform assigned works; Auxiliaries assume the obligation of reciting daily the Legion prayers and the Rosary.

PARISH UNITS IN ARCHDIOCESE OF BOSTON: 87 Senior and 21 Junior Praesidia. Affiliated Praesidia: 2 in New Hampshire, 1 in Vermont, 1 in Worcester and 1 in Rhode Island.

DIOCESAN DIRECTOR: Rev. Thos. F. Garrity, 100 Temple Street, Somerville.

SECTIONAL DIRECTORS: Rev. L. V. Cooney, D.D., South Shore Curia, 42 Wendell Avenue, Brockton.

Rev. John J. Kelly, Mystic Valley Curia, 179 Summer Street, Somerville.

Rev. John A. Cantwell, Newton Area Curia, 133 School Street, Waltham.

Rev. Thomas F. Wilkinson, Merrimack Valley Curia, 327 Gorham Street, Lowell.

BASIC TWELVE STEPS OF "AA" PROGRAM

"We

1. Admitted we were powerless over alcohol — that our lives had become unmanageable;
2. Came to believe that a power greater than ourselves could restore us to sanity;
3. Made a decision to turn our will and our lives over to the care of God as we *understand Him*;
4. Made a searching and fearless moral inventory of ourselves;
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs;
6. Were entirely ready to have God remove all these defects of character;
7. Humbly asked Him to remove our shortcomings;
8. Made a list of all persons we had harmed, and became willing to make amends to them all;
9. Made direct amends to such people wherever possible, except to do so would injure them or others;
10. Continued to take personal inventory, and when we were wrong promptly admitted it;
11. Sought through prayer and meditation to improve our conscious contact with God as we understand Him, praying only for knowledge of His will for us and the power to carry that out;
12. Having had a spiritual experience as the result of these steps, we have tried to carry out this message to other alcoholics and to practice these principles in all our affairs.

BUYERS' GUIDE

The BOSTON CATHOLIC DIRECTORY is published annually, at the beginning of the Church year, with the approbation of His Excellency, the Most Reverend Richard J. Cushing, D.D., Archbishop of Boston, who has deemed it a necessary and helpful asset for both Catholics and non-Catholics alike, in and beyond the Metropolitan See of Boston. The valuable assistance of the Most Reverend Eric F. MacKenzie, D.D., Auxiliary Bishop of Boston, and the Right Reverend Walter J. Furlong, P.A., Chancellor of

Boston, is acknowledged with deep appreciation of their courtesy. A careful survey of advertisers, chosen for their integrity and their ability to cater to your needs, has made it possible for us to present a diversified BUYERS' GUIDE. Because of our confidence in them, we hope that you will extend to them every opportunity to be of service to you, and that you will remember to say "I saw your advertisement in the DIRECTORY".
